

SuM4All Membership Charter

We _____, commit to become a member of Sustainable Mobility for All (SuM4All)—the premier platform for international cooperation on transport and mobility issues. As a member of SuM4all, we stand by a vision for a mobility that is equitable, efficient, safe and green. We pledge our good faith to talk with one voice and act collectively to the benefit of the initiative. We certify that we are an organization that operates in multiple countries, and/or as a national or sub-national government and will not use the information and products for commercial purposes*

We pledge to:

- Share our knowledge and contribute substantively to the products the initiative;
- Participate actively in the development of these products through workstreams;
- Participate in the two Annual Consortium meetings;
- Promote SuM4All work and accomplishments in your organization and through your network.
- Engage in a respectful and constructive dialogue that strives to advance the interests of the initiative, both within the group and in liaison functions.
- Promote gender equality as an integral part of the way the initiative itself works.

We are entitled to:

- Access an influential network of practitioners, leading organizations and agencies in transport.
- Influence the international transport architecture and shape the global agenda for sustainable mobility.
- Be acknowledged in SuM4All outputs where you have provided input.
- Expect the initiative to lead by example and demonstrate a commitment to gender equality at all levels, including in events in terms of panel composition.
- Feature our organization's activities and achievements at SuM4All events, on the SuM4All newsletter, the SuM4All website and in SuM4All joint outputs, to the extent these activities and achievements support priorities of the initiative.
- Have our organization logo on the SuM4All website (Consortium Members), SuM4All outputs and other external displays of the initiative.

We understand that our membership will be reviewed on a yearly basis by the Secretariat and Steering Committee to ensure member obligations have been met. A recurring failure to meet these commitments can lead to the termination of membership.
